

FAITH UNDER FIRE

Prologue – By Rev. R.C. Wetzel

RCW Ministries | Curriculum Series

“Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you.” — 1 Peter 4:12

Standing in the Furnace

In every generation, faith is tested—not merely by persecution or hardship, but by subtle compromise, doctrinal drift, and the erosion of biblical authority. The furnace is not always physical, but it is always real. And in that furnace, the believer must choose: to bend under pressure or to stand in truth.

This series, *Faith Under Fire*, was born from decades of pastoral ministry, doctrinal teaching, and personal observation of saints who stood firm when the flames rose high. It is not a theoretical study—it is a practical call to courage, conviction, and clarity.

These lessons are forged for the classroom, the pulpit, the living room, and the mission field. They are designed to equip believers of all ages to recognize the fire, respond with faith, and reflect the glory of God in the midst of it.

You will not find shallow encouragement here. You will find Scripture. You will find doctrine. You will find the God who walks in the fire with His people.

“If it be so, our God whom we serve is able to deliver us from the burning fiery furnace.” — Daniel 3:17
